STANDING: Joan Suter, Natalie Edgar SEATED: Kathy Pershall, Ted Reynolds.

The meeting place was room 16 at almost any time of the day or night. And those Saturdays when the group put out copy, and took off for Gabby's for hamburgers and cokes, will long be remembered.

Probably the most trying experience all year long was that of getting the quota sold. Cliff had long decided that 400 annuals must be sold in the school itself. The business staff went to work on it!

"Better than any other Kilchis" was the catchword. The results will have to speak for themselves, but the staff is proud.

FOREWORD

What could be a more appropriate picture to accompany the foreword to such a book as this, the pictorial review of the students of Tillamook High School, than the above shot of the front doors to our school. Here's where we enter first in the fall as freshmen, and leave last of all in the spring as seniors. One can hardly imagine thinking back on school days without seeing a vision of the front entrance shown above.

It was this idea that resulted in the theme of the book this year. The division pages will be seen representing doorways. Each section opens into its particular phase of school life, beginning with administration and its office personnel, through the faculty and the student body officers. Next the classes, then activities, and finally athletics are shown. Each of these represent a separate door--a door you can open in this book at any time of your life and through the pictures and copy printed here--enjoy a moment at Till-Hi in the year 1954-1955.

The staff would like to extend thanks to those who gave a hand this year in preparing this annual. Special recognition and appreciation should go to the whole group at Dorian Studios who took the pictures, and gave such excellent counsel on make-up. And thanks also to the many typists and leg-men among the student body who helped get the Kilchis out.

ADMINISTRATION

Mr. Glenn W. Todd, Superintendent

Superintendent Glenn W. Todd has directed the affairs of District 9 since 1951, during which time the school has progressed appreciably. Mr. Todd has proved to be a fine administrator, liked and trusted by his personnel and the community. During the past five years, school figures have risen necessitating new building programs and other emergency measures. The East School was erected during his time and helps to point out the careful planning of the superintendent.

Mr. Todd was raised in Altamont, Kansas. His early training was at the Kansas State Teachers College, and it was in Kansas where he did his first teaching, in a small rural school in that state. Since then he has taken his Masters Degree at the University of Colorado and done graduate work toward his doctorate at Columbia University and at the University of Southern California.

His school experience has been varied but has remained for the most part in administrative lines. He has served as elementary principal, school superintendent, and college president.

Mr. Todd was one of the first to become a life member in the National Education Association, and has been head of various educational associations in this state and others.

Mrs. Blanche Lemire-Clerk
District 9

Office Personnel

Mrs. Barbara McCammon, Secretary
to Superintendent Todd

Mr. Jack Hornback, Principal

In his first year at Tillamook High School, Principal Jack Hornback won the respect of the students, faculty, and the community. In the school he emphasized good citizenship and school spirit. It was echoed well by the student body.

Mr. Hornback came to Tillamook from Camas, Washington, where for three years he had acted as principal of the Camas Junior-Senior High School.

The new principal was raised in Centralia, Washington, and attended the Eastern Washington College of Education where he was student body president. His other activities took him into the fields of journalism, dramatics, speech, and music as well as through training in education. After graduate work at the University of Oregon, he served in the Navy for four years during the war.

Since then, Mr. Hornback has been an educator in elementary, junior and senior high school fields.

BOARD OF DIRECTORS

Caring for the educational needs of 2,000 students in District 9 takes more of the time and energy of the above group of people than the average person would be able to imagine. In these times when school is a full program during the day and often many hours of the night the activities of the 2,000 students can call for a great deal of supervising and policy making. This is basically the duty of the board; caring for the overall policy making of the district, and representing the tax payers of the area in matters of public education.

What a school budget well along in the six-figure mark and ever-increasing school population, the major problem is often how to get the most for the taxpayers' dollar and yet keep ahead of the school building crisis. This year's board could not plan further with the facilities in the district at mid-year and called for a bond election to build an addition to East Elementary School. This was needed to provide the minimum room for the incoming primary students in the fall whose numbers would more than strain facilities. At the time this annual was printed it was not known how the election turned out, but the board, at any rate, was planning for an emergency situation.

What on paper promised to be one monthly meeting to set plans for school, soon became many monthly meetings plus many hours of extra duty on the outside figure costs, comparing effectiveness of education here with other areas and the like. The people above served unstintingly, and for the most part without praise or thanks.

The annual staff would like to express appreciation at this time and by this means to the hard working group above, say "We think we speak for the whole community in voicing 'Thank You'; we know we speak for ourselves".

Student Council

LEFT TO RIGHT AROUND TABLE: Merlyn Gilbert, Nancy Thomas, Alvin Forbis, Marilyn Lommen, Joyce Oldenkamp, Ann Overlund, Bette Rae Johnson; Gay Tippin, Norm Pallin, Fred Fossbind, Phyllis George, Roy Lawson, Mr. Jack Hornback, advisor; Joan Weber, Jan Trombley, Richard Machen, Ken Jacob, Ken Johnson, Natalie Edgar, Carol Loop, and Jeannette Tohl.

The above group was the government of the Till-Hi student body during this year. As such they sponsored many school activities; their year was a busy one. Caring for the March of Dimes drive, the Heart Fund, promoting better school relations, and working to keep the funds of the school budget in a healthy state were but a few of their more obvious accomplishments.

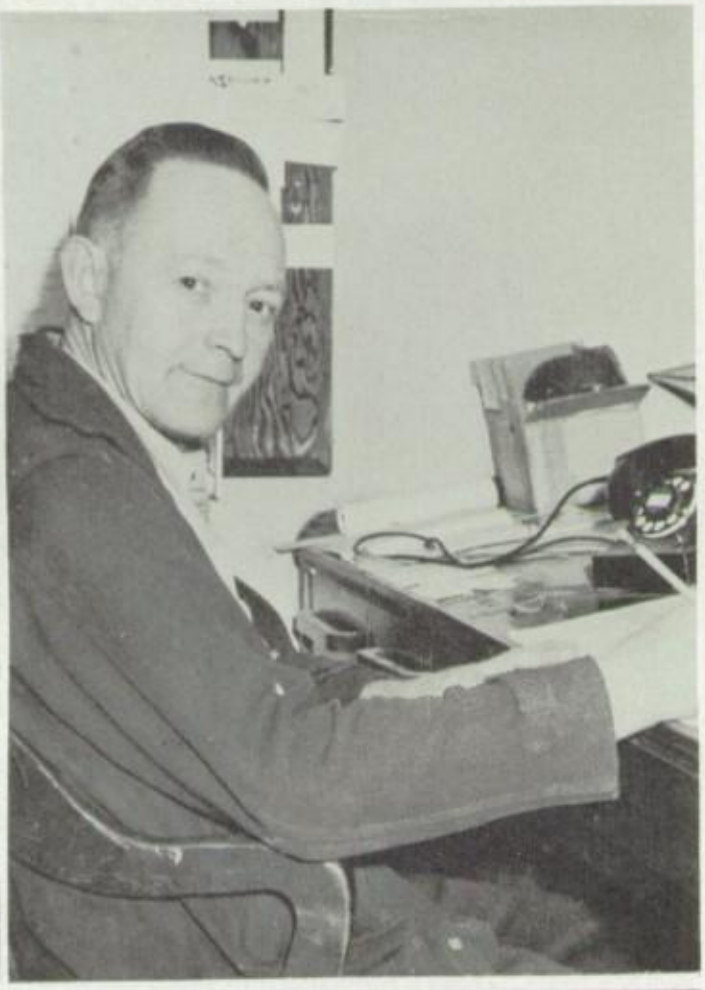
Four student council members accompanied by Miss Abrams, as advisor, attended the Region IV council at Albany early in the year. A highlight of the early part of the year was the report by Freddie on his trip the previous summer to the National Association of Student Councils at St. Paul, Minnesota. Many of the ideas he discussed were put to use.

The council felt that their relations with the advisor, Mr. Jack Hornback, were most satisfactory. He added many new ideas, the most prominent being his democratic approach to student affairs.

Faced by a rather healthy debt at the beginning of the year, the council was able to pare away at it till it was largely cancelled out at the year's end.

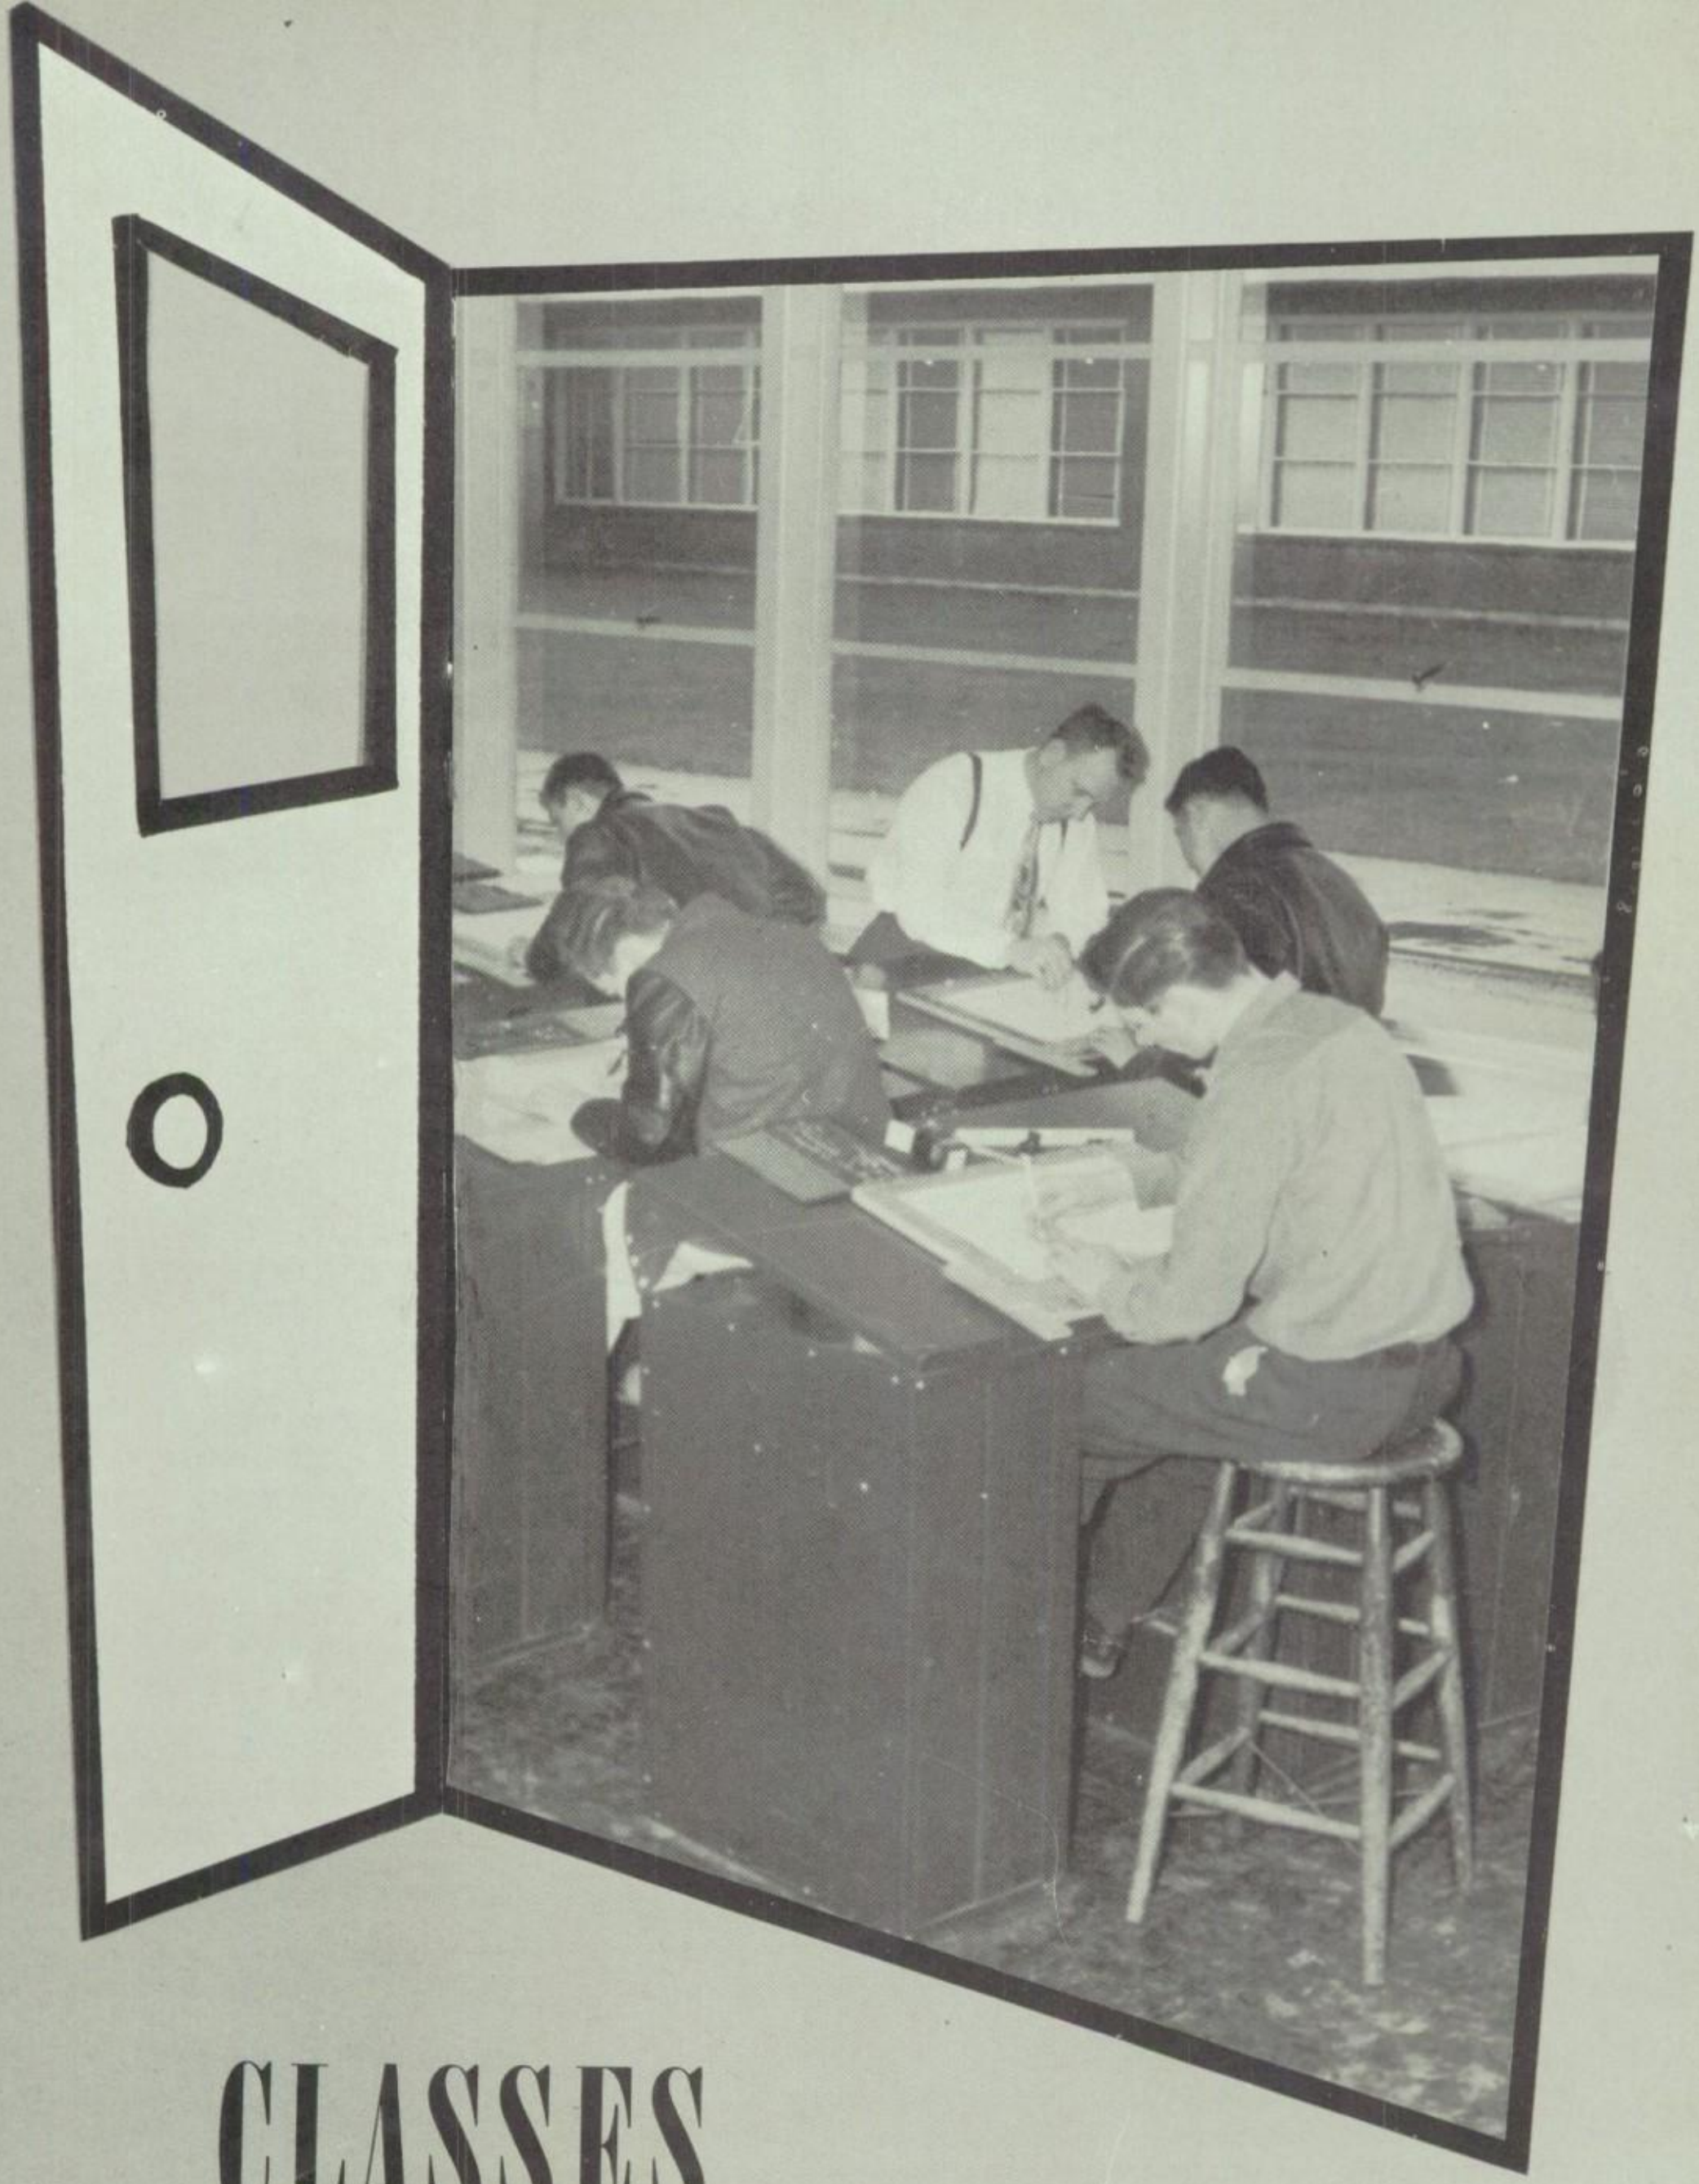
Mass production techniques of the cooks are shown here, and "believe me" it takes mass production to feed the hungry mobs who beseige the cafeteria at noon hour.

LEFT TO RIGHT: Mrs. Anderson, Mrs. Schock, Mrs. Ross and Mrs. Fellows, chief dietician.



Hard to recognize these fellows without the tools of their trade; but a good job they did keep the old school clean.
LEFT TO RIGHT: Mr. Fred Moffett, Mr. Walt Kellogg, and Mr. Don Chapin.
At right, Mr. Russell Nelson, chief of maintenance in district 9.

Curriculum director, John Jensen offers a smile for the photographer. His job is to coordinate the school programs of district 9--a tremendous job.



CLASSES

STANDING (LEFT TO RIGHT): Russell Parker, Jeanne Nyman, and Merlyn Gilbert.
Jeanine Irwin was not present.

Seniors

Merlyn Gilbert led the Senior Class through the past successful year. Aiding him were Russell Parker as Vice-President, Jeanne Nyman as Secretary, and Jeanine Irwin as Treasurer. Miss Jean Lloyd and Mr. Darrell Lewis were the Senior Class Advisors.

Speedy Freddie Fossbind captained a winning basketball team and helped account for many victories. Sheldon Johnson, Rod Ervin, Norm Pallin, Curtis Adams, and Howard Fritcher helped the Mooks in basketball. Football saw the efforts of Rod Ervin, Howard Fritcher, Bob Russell, Bill Stange, Jim McConnell, Norm Pallin, Ray Hughes and Jim Martin pay dividends. This year, finally, the Cheesemakers switched from A-1 to A-2 classification.

Seniors worked with the guidance department for two special days: College Visitation Day and Career Day.

In plays and almost all committee work the Seniors made their presence known. Their play, "The Robe", as Juniors became something of dramatic history. But it wasn't all work. The Prom, both years, provided that wonderful interlude of entertainment.

Awards were won by many seniors. Phyllis George became D.A.R. Citizenship Girl. Walt Beeler was the winner of the State Farmer Award in 1954, and Gay Tippin won the county "Voice of Democracy Contest." As the annual went to press it had not been announced who the valedictorian and salutatorian were, but the Seniors had a good idea.

The Senior Class motto is, "We study to serve." The Class of 1955 chose the white rose as their class flower and their colors are blue and white.

Juniors

The Junior year of any class is traditionally busy. This year was no exception.

The Class of 1956 sought to establish a new tradition at Tillamook High with their Winter Formal held at the Naval Air Station on December 23.

All year the Juniors worked diligently to earn money for the Prom. They did this by giving the play "Life with Father", sponsoring dances, and various sales.

Representing the class in "A" sports were Bob Spencer, Jim Coats, Glenn Riggert, Harvey Fritcher, Phil Boggs, Ken Johnson and George Mackey.

Roy Lawson did an outstanding job as Student Body Business Manager. Five out of the six song leaders were Juniors and Karen Jensen was the Junior member of the yell leaders. Kathy Pershall and Maryann Le Duc were Girls' League officers.

Philokalon member Ken Johnson was class President with Roy Lawson as Vice President; Natalie Edgar as Secretary; and Mary Olson as treasurer.

Based on scholarship, character, leadership, and service, the Philokalon Chapter of the National Honor Society, gave recognition to juniors and seniors who were chosen for excellence in these traits. The society's Fall induction was held October 31 and featured Mr. C. Ray Johnson as guest speaker. Several more members were tapped during the spring induction, but this was too late for their inclusion in the annual.

The honor candidates are selected in the light of the national Honor Society standards by the Philokalons and a faculty committee.

This year's activities were mainly to provide a scholarship for some worthy senior and to compile and post the honor roll each six weeks.

GIRLS' LEAGUE

KATHY PERSHALL
Treasurer

The Tillamook High School Girl's League is one of the most active organizations in the entire school. It is organized to create better understanding and co-operation among the girls. This group's membership consists of every girl in the school. During the year it sponsors many service projects for the benefit of the school.

Much of the success of the organization is due to the able leadership of Miss Esther Chapman, advisor. It it because of her tireless work for the league that it exists within this school. Her assistant this year was Miss Evelyn Clark who also contributed many extra hours in hard work.

The officers this year have done an excellent job in conducting meetings and organizing activities. The executive planning meetings were often held in the evenings or out of school hours in order to clear all the work on the agenda.

Every month the Girls League sponsors a Girl of the Month. One girl is chosen from each of the four classes outstanding in a certain trait.

Other successful activities sponsored by the league were the Get-Acquainted Party for the Freshmen, the Dad's Dinner, Mother's Tea and Style Show, and the Slumber Party held in February.

At Christmas time the league sponsored the annual Christmas assembly with the help of Mr. Herb Johnsrud, alias Santa Claus, who is pictured above.

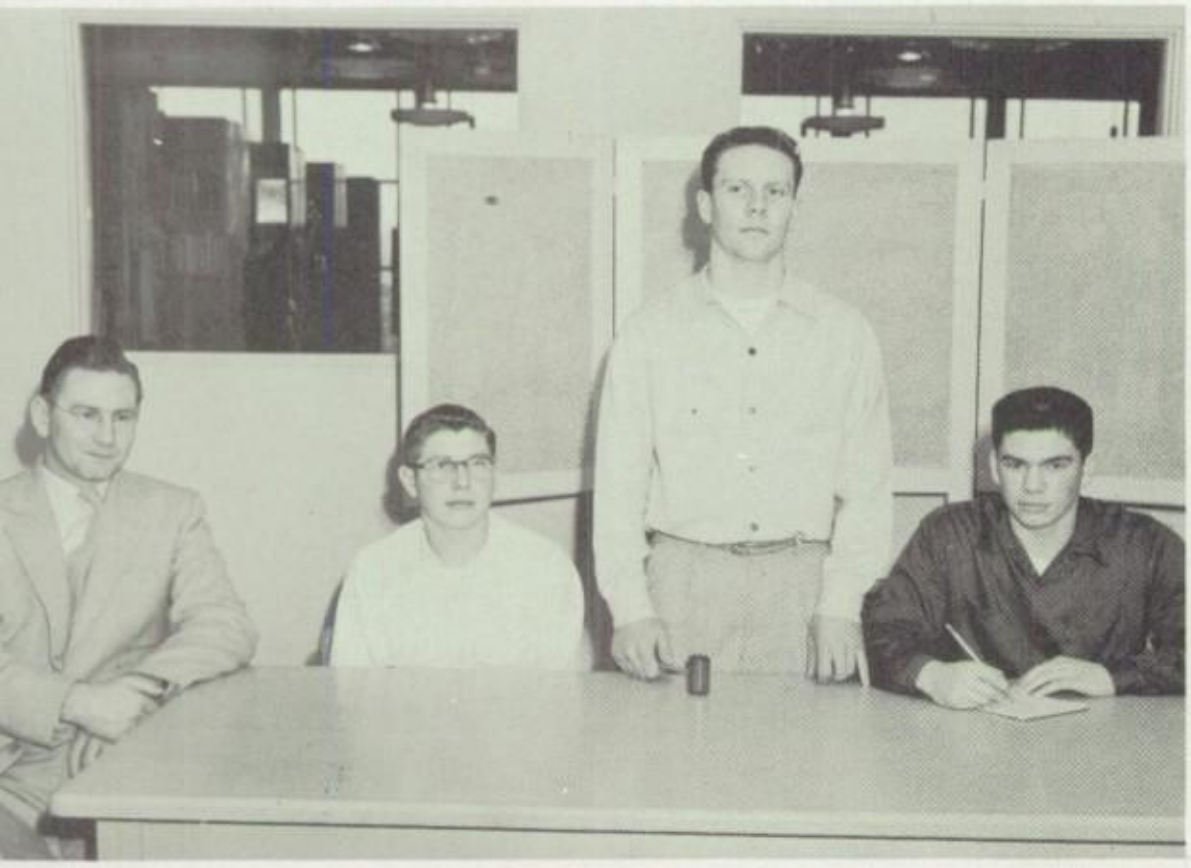
BOYS' FEDERATION



Like the Girl's League, the boy's group, known as the Boy's Federation, is the official organization of all the boys in school. Though still in the formative stage this year, its first year of existence in Tillamook high school, it was definitely on a firm footing. It was organized early in the fall under the sponsorship of Mr. Don Spiering. The over-all objectives for the Federation was to provide a means for the boys of the school to meet and discuss matters of interest. This group met at the same time the Girl's League did, and enjoyed discussions and other forms of entertainment.

Other lines of entertainment featured movies.

The Future Farmers of America is a national organization operating in conjunction with the Vocational Agriculture classes. Its purpose is to emphasize the proper methods in farming. Each year the boys send a delegation to the State Speech Contest, the Parliamentary Procedure contest, and to the State Fair and several county fairs in livestock judging contests.

This year, at last they secured the gym on the second and fourth Mondays and played several basketball games.

The highlight of each year is the initiation of new members. This includes ceremony of requiring the initiates, or Green Hands in F.F.A., to dip their hands in green ink and leaving it on until after the evening initiation.

Then at the end of the year comes the banquet. At that time letters and awards are presented.

For the second year in succession Tilla-Hi had a Journalism II class. During the first semester the four students in that class did most of the actual publishing work while the new members of the staff learned the fundamentals of story and paper make up.

The second semester the Journalism I staff took over the work of putting out a paper on the twice a month basis.

The paper has remained on a printed basis with good support from the advertisers.

Some of the traditional features of the Tilla-Hi News were continued: The Christmas edition came out printed in green. Homecoming was featured in grand style, as in previous years.

During the second semester the editorship was passed around to give experience in this work to others on the staff.

TRI-HI-Y

The purpose of Tri-Hi-Y is to create, maintain and extend throughout the home, church and school, high standards of Christian character. Both of the groups on this page have been very active this year. The two groups cooperated during the year. Early in the fall the Junior group initiated the new Freshmen group and helped them to get started. At Christmas the two groups joined with others for caroling.

RADIO PRODUCTION CLUB

The Radio Production Club is now well into its second year. Their popular production, Tilla-Hi Tune Time, was presented on Tuesdays and Thursdays from 7:15 to 7:30 P.M.

Financing of the clubs activities was accomplished by means of the concessions. Anyone can be a member by merely showing an active interest in the club.

Their advisor, Miss Evelyn Clark, has exhibited a large amount of energy in a tireless effort to help the club grow.

A dance after one game was one attraction which was sponsored by the club as a further service to the school.

Officers left to right are: B. Schmidt, D. Goff and B. Moore, president.

Service Club

After the second year it can be said that the Service Club is definitely a success. Their efforts to earn enough points to be able to get into Pep Squad has provided a fine group of eager workers for the school. They earned points by stocking the pop machine, selling candy at the concession booth, ushering, and various other like activities. Miss Jean Lloyd served as advisor for the girls, keeping them busy and recording points. All money earned by this club goes into the student body fund as it is a non-profit making organization. "Service" is their main motto.

The above pictures will bring fond reminiscences to Tilla-Hi students: the "Order of the T initiation". What fun! Plaep and Ripka feel the paddle on the top picture. The "ruling arm" of the T-Men - the officers: Ray Hughes, Vice president; Norm Pallin, secretary; and the master himself, Howard Fritcher, president.

The "T" men are the strong arm of the law around Tillamook high school. This club, composed of boys who earned their letters in sports, met under the advisership of Mr. McKeel. Initiation is always the big event of the year for the Order of T-- for the older members anyway. The fall initiation is pictured at left; there was talk of spring election when the annual went to press.

In the line of activities sponsored, one of the first was the Order of T smoker held late in December. The affair was rather well attended, and the funds went to help pay for the annual outing at Mount Hood. The T Men policed the hall at noon and endeavored to keep chiselers from crashing the lunch line.

The Order of T members are the only students in Tilla-Hi who can wear the large Tillamook "T" on red sweaters.

The Tillamook Hi-Y Fellowship Club is sponsored by the Y.M.C.A. and is a member of a nation-wide organization. The purpose of the Hi-Y is "To create, maintain, and extend, throughout the school and community, high standards of Christian character."

To raise funds for various community and world services, and for club activities, the members held car washes, dances, and also sold mistletoe.

A new activity this year were the gun shoots which were held once a month at the naval air station. In March the organization planned and carried out a weekend ski trip to Mt. Hood. An induction of new members was held February 8th.

Officers were Rodney Ervin, President; Ralph Hilliker, Vice President; and Jim Lewis, Secretary-Treasurer.

Mr. Spiering, and Mr. Gardner, of the Y.M.C.A., were the Hi-Y advisors.

TRI-HI-Y

This group of sophomores known as the Kappa Iota Tri-Hi-Y took part in a good many activittes over the year. Under the leadership of the officers pictured at the right, they sponsored dances during the year, planned and completed a progressive dinner (they enjoyed this), sent delegates to the pre-legislative meeting in Portland in the spring and worked on World Service. The Tri-Hi-Y is an organization created to encourage service type activities in a Christian atmosphere.

Christian Club

Something new was added to the ranks of the activities at Tilla-Hi this year. By popular wish of the students the Christian Club, under the leadership of President Genevieve Wiede came into being with Mrs. Ida Boquist as sponser.

The interdenominational club was organized with the purposes of promoting Christian fellowship among young people of all denominations, furthering understanding of Christian aims and citizenship, and to promote Christian living in school.

Dr. Royal J. Dye, a missionary who spent 55 years of his life in the heart of Africa, was a guest speaker of the club, and told of his experiences to a capacity audience in the library.

Officers of the Christian Club are: Pres. Genevieve Wiede; Vice Pres., Phyllis George; Sec., Kathy Pershall; Treas., Marjory George; Reporter, Louis Halliburton.

Cartoon Club

The cartoon club was established for the purpose of producing those doodles, droodles, and blobs known as cartoons. Miss Smith furnished able instruction in use of speedball pen and India ink for the production of these master-pieces of wit and humor.

The art room was their meeting place and they took advantage of its fine facilities. The club is composed mostly of freshmen who are interested in this type of art.

TILLAMOOK HIGH SCHOOL BAND

The year 1954–1955 was one of the most successful in the history of the Tillamook High Band, judging from the compliments received on the group's many fine performances. Nine seniors formed the nucleus of this group made up of nearly forty musicians, including several from Liberty Junior High. These came over from the junior high to take part in rehearsal.

In April the whole band traveled to Seaside to take part in the district contest held there.

The new red and gray uniforms purchased in the spring of 1954 presented a colorful scene at football and basketball games. Under the leadership of Mr. Delmar Mabee, the band participated in school music programs, dramatic productions and various community functions.

Russell Parker served as student director of the group, and waved the baton right well at many basketball games.

The Clarinet Quartette played for the Christmas music program and traveled to McMinnville in the spring to compete in the district ensemble contest.

PEP BAND

Furnishing lively spirited music, the Pep Band added vigor to the pep assemblies and basketball games at which they performed.

"The Dukes" a dance band comprised of Pep Band members, M. Gilbert, G. Provost, and R. Parker, were popular for dances and for various school assemblies.

The Pep Band has adopted black sweaters with red ties as their official uniform.

This group greatly aided the new song leaders during their performances at games and assemblies.

FOOTLIGHTS

The Footlights Club at Tilla Hi serves as an introduction to the real dramatics honorary, The Thespian Society. Students are eligible for footlights when they have earned three points by appearing in plays and doing work on various committees. They learn the art of applying make-up, sell tickets, usher, and make themselves useful whenever possible. When they have earned ten points they are eligible for Thespians and they move on again. This year they contributed to the purchase of a permanent trophy for the best actor and actress of the year. Some of them traveled to Portland to see Helen Hayes in "What Every Woman Knows." Since there were three full-length plays presented this year they had many opportunities to make themselves useful to Mr. Whitney and the dramatics department. They helped considerably in making this an outstanding year for dramatics at Tillamook High.

Footlighters lend a hand to help make Life With Father a success.

Thespian groups have a main purpose of promoting excellence in dramatics, and certainly it can be said of Troupe #934 that they accomplished this purpose. Not only did they give invaluable aid in school plays but they also performed many other important activities: they raised money to purchase a trophy to honor the Best Thespians; they held two formal initiations; and they attended the National Thespian Conference at Eugene, where they put on a one-act play, "The Stolen Prince".

To become a Thespian a student has to earn a minimum of 10 points by taking part in plays and working on committees, and must be voted in by the other members. The activeness of this troupe can be attested by the large group pictured above.

"Something different" to say the least was part of the really outstanding production of Tillamook high School the fall of 1954. The play was sponsored by the junior class who used the profits for the Prom and Banquet. Mr. Whitney, the director, inaugurated the idea of having two complete casts put on the play: one cast, the one on the right above, presented their play Friday, November 12; the one on the left, Saturday.

"Father" was the creation of the essayist Clarence Day, the eldest son of the famous Day family. The play was a version of one of the more comical parts of the book by the same name. Father was the typical stormy Victorian master-of-the household, and the Tilla-Hi Thespians did a "roaring good job" in the role. Poor suffering Mother, with a fine touch, managed to outsmart her husband and present that diplomatic air that kept the family together.

The plot of the play centered around Mother's desire to see Father baptised. Needless to say he had to give in.

Life With Father was exceedingly well received in the community. The stage was particularly fine for the Victorian setting, adding to the realism of the play. Costumes were by Emilla Tschanz; stage by John Turbyne-with student aid of Clifford Ackley. The director was Don Whitney.

HOMECOMING 1954

THE 1954 HOMECOMING was a definite success in spite of the Cheesemakers defeat at the hands of mighty Central Catholic. The festivities began the Thursday before October 8th, with a huge bonfire in front of the school. Friday night students staged a car rally through the streets in town after school. At the half of the actual game the Cheezets put on a drill and presented the queen candidates to Fred Fossbind who presented the princesses with their inscribed footballs and crowned the second annual Homecoming queen, Gay Tippin.

QUEEN AND COURT princess Susie Fluke, Queen Gay Tippin, Princess Jeanine Irwin, and Princess Leilani Batke.

MARCH OF DIMES QUEEN

Queen Betty Ann Lermo and her escort Denny Thomas are shown at left. Queen Betty was the senior princess, chosen to be crowned because her class contributed the highest sum to the March of Dimes contest in the high school. The crowning ceremony took place at the Central Catholic-Tillamook basketball game. Tom Hoover of KTIL did the crowning.

Total receipts from the high school exceeded $600.

Queen Betty's crown was well studded with dimes to follow the theme of the evening. Her bouquet of red roses was a further gift from the school, and in all it can be said that she was one of Tilla-High's most beautiful queens at an event becoming tranditional here.

Princesses prictured below are, from left to right, Kathy Rice, freshman; Sandy Martin, sophomore; Linda Krebs, junior; and Betty Lermo, senior.

HEARTS ROYALTY

Shown at left here are the two smiling recipients of the Valentine Dance prizes: Queen Virginia and King Walt of the Court of Hearts. The two, Virginia Fletcher and Walt Beeler, both seniors, were the winners of the drawing held to determine the royalty at the Heart's dance, sponsored by the Kilchis staff.

Virginia received a lovely orchid corsage, and Walt won a box of candy. The dance was held February 11, after the Milwaukie basketball game.

VARSITY FOOTBALL TEAM

Hampered by injuries the Cheesemakers lacked scoring punch: The quarterback position was hardest hit with the two regulars missing two complete games or more.

As the season progressed Tillamook improved and at the last of the season were a threat to all comers.

The Cheesemakers opened the season with Toledo and squeezed through with a 6-0 win. From then on the going got rough with the Cheesemakers meeting Gresham, Parkrose, Central Catholic, Astoria, Camas, Washington, Milwaukie, and Neahkahnie in that order. The Mooks were on the short end of the scores until the final game when they massacred Neahkahnie. The Milwaukie game saw the Cheesemakers turn in their best performance and while losing 27-13, it was nip and tuck all the way. The final game the improved Cheesemakers took easily from Neahkahnie winning 40-0.

Next year should see the Cheesemakers well balanced and powerful. They will be playing in comparable competition for the first time in four years and the 1955 season will see 19 returning Lettermen greeting the opening of the season.

Schedule of 54

Toledo	6-0	Win
Gresham	30-0	Loss
Parkrose	40-7	Loss

6 Losses - 2 Wins

Head Coach Larry McKeel after seven years at Tillamook High as football mentor announced his resignation from that station following the season. McKeel utilized the single wing for his squad. The team was just beginning to work as a dangerous unit at the end of season. (Note Pirate Game)

Big Al Goertzen took the spot of head line coach when he came to Tillamook High last year. "Stay on your feet and beat'em off with your arms", was one of Al's commands to his linemen. His aid helped McKeel develop the squad and left a great potential for '55.

"B" SQUAD FOOTBALL

BACK ROW (Left to Right): Tom Gienger, Bob Bassett, Ron Rader, Pat Anderson, Harvey Reeder, Cleo Luurs, Perry Reeder, Lee Martin, Bob Miner, Lee Proctor, Monty Curl, Coach Barney Swanson SECOND ROW: Dennis Vaughn, Larry Olson, Joe Doolin, Dick Phillips, Elbert Dunsworth, Don Zinda, Emanuel Breckel, Gene Widmer, Ron Beeler, Elvin Trammel FIRST ROW: Bill Collins, Mickey Pierce, Dick Lukens, Billy Carver, Gale Martensen, Dennis Neaves, Jim Madison, Hank Smith, Ken Noteboom, Paul Bushey, Richard Collins.

Coach Barney Swanson and his assistant Darrell Lewis fielded a squad "quite green" Bee players this season. Fourteen were frosh and their experience will pay dividends for future Cheesemakers. The remainder were sophomores. Some potential powerhouse Mooks were seen developing. Widmer, Lukens, Zinda, Doolin, Dunsworth, and Smith showed signs of promise. As most of the practices were concerned with fundamentals, one of Barney's strongest demands, the schedule of games was short. They played only five this year.

Their season payed off in a three loss--two win record. They powered through in the first half for the single score of the Bee-Tillamook Catholic game, and won 6-0, and held the Bee-Bobcats scoreless in a 12-0 win. For the remainder 39- seemed a hex on the Baby Mooks. Both Astoria Bee and Parkrose Bee defeated our team by 39-0. A replay of the Tillamook Catholic game--with a stronger component of A players on the Catholic squad--sent the Bees into defeat 27-6.

"A" SQUAD

Head basketball coach Barney Swanson floored a rather short team for the 1954-1955 season, with the exception of tall Jim Christensen. Fred Fossbind was the only returning regular from last year's squad; Jim Coats, Bob Spencer, Rod Ervin and Sheldon Johnson were returning lettermen. The rest of the team came up from B play. Depending on speed mainly, Coach Swanson developed a team that could run the fast break or play slow deliberate basketball.

Early season play saw the Mooks run up a 6-4 win-loss record, and break into their only win in the V. C. League column: the win against Parkrose. Tillamook dumped Gresham in the Jamboree 9-8. However, V. C. League play ended Tillamook in the cellar again.

Individual scoring went as follows up to Tournament time. (A separate column is included below for that.) Riggert, 37; Christensen, 12; Fossbind, 189; Ken Johnson, 23; Harv. Fritcher, 32; Bob Spencer, 211 (high man); Pallin, 80; Sheldon Johnson, 47; Jacobs, 39; How. Fritcher, 10; Coats, 131; Adams, 3; Ervin, 46; and Mackey, 73.

Scoring by individuals was as follows:

Always a strong team this year, the Bees occasionally approached the "great" stage. They played consistently good ball and racked up high scores as a glance below at the record will show. After all scores in the high 50's and 60's by a B squad is just plain "good". Their percentage was well over the .500 by season's end, and their only big disappointment was losing to some of the bigger schools like Gresham and Central Catholic. Year's end saw a 14 win eight loss record for the Bees and big promise for next year's "A" team.

Coach Darrell Lewis developed the fast break tendency of the team, and capitalized upon the ball control of Plaep, Melson, Murray and Trotter under the basket. The ten players made two rather evenly matched teams and alternated at frequent intervals in most games.

Individual scoring: Dunsworth, 64; Murray, 97; Trotter, 101; Melson, 123, Sutton, 53; Plaep, 143; James, 17; Moore, 60; Baty, 39; Johnson, 76; Bassett, 51; Christenson, 63.

FRESHMEN HOOPERS, 1954-1955 SEASON

BOTTOM ROW (Left to Right): Hank Smith, Ron Gienger, Elvin Trammel, Glenn Hatfield, Richard Trammel, Dennis Vaughn TOP ROW (Left to Right): Al Goertzen, coach; Loryn Rush, Gerald Dodson, Cleo Luurs, Leon Anderson, Ron Roberts, Berry Miner, Frank Bohannon, manager. Robert Bassett was not present.

The Frosh team completed what must be called a successful season in 1955: they won eight of their eleven games. Though lacking in any great height, the sharp-shooting eye of many of the members adequately made up for this, and made prospects for future Mook teams look good. Coach Al Goertzen drilled the boys on fundamentals, though somewhat hampered by having to practice in whatever gymnasium was available around the district.

Most pleasing to the local fans was the victory over the Seaside Frosh, two games, and the one and one split with Astoria.

Though the team worked well together several boys were standouts. Gerald Dodson played consistently good ball as did Hatfield, Smith and Miner. Dick Trammel as the season progressed found the range and pulled high point honors many times.

Individual scoring honors were as follows: Gerald Dodson, 89; Glenn Hatfield, 84; Richard Trammell, 71; Henry Smith, 34; Berry Miner, 28; Elvin Trammell, 15; Loryn Rush, 11; Dennis Vaughn, 7; Ron Roberts, 5; Leon Anderson, 4; Ron Gienger, 15; and the remainder none.

1955 WRESTLING SQUAD

The Tillamook wrestling squad ended the season, four wins, three losses and one tie--much better than the four loss-two win of last year. The experience paid off for the Mook grapplers. The overall record was good and should be even better next year as practically the whole team will be back.

The district tourney did not come out as well as the Tillamook boys hoped, considering there were only six schools competing. Tillamook did, however, place one third, Bob Russell, and five fourths, Joe Markee, Steve Foland, Dennis Neaves, Morry Smith and Walt Beeler. But none high enough to enter state competition.

The 59 point margin spelled a successful year for the grapplers under head coach McKeel.

Gienger throws his man in a smoker bout.

Russell ready to decision his opponent in the Dayton match.

Unidentified duo in typical tie in Tilla-Hi gym.

BASEBALL 1955

BACK ROW (Left to Right): D. Spencer, man.; D. Thomas, o.f.; P. Boggs, 2nd; H. Fritcher, 3rd; G. Riggert, pitch.; Coach Herb Johnsrud; M. Hulbert, pitch.; D. Wynia, catch.; P. Melson, 1st; R. Spencer, o.f.; J. Doolin, man FOREGROUND: F. Fossbind, o.f.; R. McClain, catch.; A. Trotter, s.s.; I. Baty, o.f.

The baseball nine in this '55 season was as ready as any team in the state, and had great hopes for laurels. Riding on the crest of a second place in the district last year after a 10 win-6 loss record, and with scarcely no loss from graduation, hopes were high. The diamond men had a liberal sprinkling of hitters, pitchers and all-around good players.

TRACK 1955

BACK ROW (Left to Right): G. Smith, R. Russell, E. Hoven, E. Murray, J. Coats, K. Allread, R. Phillips, W. Beeler, G. Elbow, M. Chamness, Coach Al Goertzen (in place of Larry McKeel, hospitalized). FRONT ROW: G. Altman, G. Mackey, B. Moore, K. Johnson, R. James, D. Zinda, G. Zuercher.

The above group of trackmen as shown very early in the season (due to annual deadline) are represented by Coach Al Goertzen who took Coach Larry McKeel's place while he was in the hospital. The track squad was composed of a large sprinkling of underclassmen and few lettermen, though interest was high.
